Attorney Docket: 1-24751

AMENDMENTS TO THE CLAIMS

Please amend the claims as presented below.

1. (cancelled)

2. (currently amended) The seat cushion of claim 1 21, wherein the pressure-distributing medium is a fluid pad.

3. (currently amended) The seat cushion of claim 1 21, wherein the base includes a posterior seat well for receiving bony prominences of a wheelchair occupant.

4. (currently amended) The A seat cushion of claim 3 for a personal mobility vehicle, the seat cushion comprising:

a base including a posterior seat well for receiving bony prominences of a wheelchair occupant;

a pressure-distributing medium; and

a cover covering the base and the pressure-distributing medium, the cover comprising a pocket for receiving the pressure-distributing medium, wherein the pocket is positioned at a rear of the cover substantially over the seat well.

5-6. (cancelled)

7. (currently amended) The seat cushion of claim 1 21, wherein the pocket is closed along rear and lateral sides of the cover.
